# Sanctuary Device Control zeigt die konfigurierte Meldung beim Kopierversuch an:

The screenshot shows a Windows Explorer window titled "Removable Disk (E:)" displaying a directory tree. An "Error Copying File or Folder" dialog box is open, displaying the following text:

**Error Copying File or Folder**

Cannot copy Sanctuary\_embedded: Access is denied.

Make sure the disk is not full or write-protected and that the file is not currently in use.

OK

In the bottom right corner, a yellow system message box is visible with the following text:

**Schreiben verweigert**

Sanctuary has denied access to this device  
Gerät: M-Sys DiskOnKey USB Device  
Anwendung: explorer.exe  
Lage: E:\

The background Explorer window shows a table of files and folders:

Name	Size	Type	Date Modified
